- **The City would like to encourage any resident that has a shelter or basement to contact City Hall or the Fire Department, to have it on record, in case of bad weather. This information can be helpful to first responders in case of an emergency.** We have all come to realize that change is constant and it's never too early to be prepared. Be ready for an emergency by having a grab and go bag of essential items. For tips on how to plan, go to www.ready.gov. The city has a public storm shelter located in the community center. Signs are posted on the outside of the entrance. When you hear the City sirens sound continuously for one minute, a tornado has been spotted and you should seek shelter immediately. When there is one short siren, for a few seconds, all is clear, and it is safe to come out of shelter. The Memphis Volunteer Fire Department will be conducting siren test every 2nd and 4th Monday of the month.
- **The city is dedicated to cleaning up the town. The landfill is FREE to Memphis residents and businesses except for roofing materials, tires, appliances containing freon and demolition debris. There is a charge for those items and prices can be acquired by visiting the website or calling (806)259-3001. Landfill hours are Monday – Saturday 8:00 am – 5:00 pm and closed from 12:00 pm – 1:00 pm for lunch. We also want to remind citizens that the alley behind your property is the homeowners' responsibility to mow and keep clean, that includes debris, tree limbs, and grass clippings. Please do not use the dumpsters to throw away grass clippings. We appreciate the City's effort in cleaning up our town.**
